

### **Instructions on Viewing Conservation System Guidesheets**

1. Open the appropriate Resource Management System folder for the appropriate county.
2. In that folder, Click on the **Guidesheet link** to view the opening screen to select Guidesheet reports for that specific county selected.
3. Select the current **Land Use** and **Common Resource Area (CRA)** and Click on **“Search”**.

Note: only Resource Management System Guidesheets for the following land uses are available as a report for crop, hay, headquarters, pasture and wildlife. A map of the Common Resource Area is included on the second page of this instruction sheet.

# Common Resource Area (CRA) Map For Maine

## Legend

### Maine CRA's

- Northeastern Mountains
- New England Upland, Northern part
